	WORKSHOP SESSIONS	AIMS
1 - 3 (SYD)	Created in the image of God - what is our mission and service today?	<ul style="list-style-type: none"> - From Genesis, Creation and Abraham's covenant, identify God's commands to work and mission - Draw out the priestly language of Genesis and how this interplays with our work today - What is the significance of God creating us in His image and how does that impact what our mission and service is today? - Apply these mission directives today in 1) rostered church work 2) general church life 3) households 4) society and workforce
4 - 6 (MEL)	Sifted as wheat - facing the limits and breakthroughs of our service	<ul style="list-style-type: none"> - From Jesus' warning and Peter's response, dive into how we might "fail" in our service - What are physical, mental limits in our service and how might they manifest themselves in our daily lives - Tying this to Acts 1:8, how are we able to "breakthrough" these "limits" in our service - To what extent do we decide/limit how we serve vs does the "harvest" decide how we serve - What areas of service have we personally failed in? - What areas Jesus requires us to "return" and "strengthen" in service?
7 - 9 (BNE)	Serving with the Mind of Christ - attitude, character and heart	<ul style="list-style-type: none"> - In reflection of Paul's own example and how he draws from Jesus' service consider what mind and attitude we should have in service - Consider in particular, pride, stubbornness, apathy - Identify and reflect on what areas Australian youths lack the most
